Knitting the National Parks by Nancy Bates

Errata – First Edition

These errors will be corrected in the second printing, which is already underway.

• **<u>Page 9</u>**, Introduction: The reference to Lassen Volcanic beanie pattern.

Error: (pages 198 - 201) Correction: (pages 202 - 205)

• **Page 105**: Bryce Canyon chart looks like it's missing row 1.

Correction: No rows are missing. The numbers on the right are misaligned, The chart *does* have 47 rows as it should. Just ignore that blank row 1 and all is well

• **Page 121**: Glacier Chart looks like it's missing row 1.

Correction: Same as above. No rows are missing. The numbers on the right are misaligned. The chart *does* have 45 rows as it should. Just ignore that blank row 1.

The following errors missed the 2nd printing deadline and won't be corrected until the 3rd printing.

• **Page 143**: Petrified Forest list of yarn used in sample names the colors, but not the brand.

Correction: All yarn in Petrified Forest is Stunning String Studio Legacy Worsted.

• **Page 181**: Death Valley Chart: A few of the symbols on rows 14 - 17 are incorrect.

This is how rows 14-17 looks in the book. The highlighted stitches are incorrect:

This is the correct version:

• Page 217, Olympic chart: Rows 27 - 28 are incorrect. This is the correct version::
